Vote Early

The Salt Lake County Clerk's Office provides voters the option of voting prior to Election Day at an early voting location. Voters do not need an excuse to utilize this convenient voting method. Registered voters may visit any early voting location on weekdays beginning October 21 through October 30 from 12 p.m. until 7 p.m. and on Friday, October 31 from 12 p.m. until 5 p.m. Early voting locations in Sandy include Sandy Fire Station #35 located at 8186 South 1300 East and at Sandy City Hall located at 10000 Centennial Parkway. Please visit www.clerk.slco.org for additional information or call 468-8683.

General Election is on Tuesday, November 4.

New Road Completed Connecting To State Street

A new road is now complete that connects State Street at 11200 South to Costco on Automall Road. Auto Mall Drive was recently completed in cooperation with MicAM, LLC, a Liljenquist family holding, to provide a secondary access that will decrease traffic congestion in the Auto Mall area and allow for additional growth in the area.

We also completed the 9400 South reconstruct between Monroe Street and State Street. It included widening to allow for a three-lane road with nine-foot shoulders, new storm drain system and a new bridge over the canal at about 200 West. This badly-needed reconstruct was completed about the same time as the State Street reconstruction project and has served the city well with the completion of the new soccer stadium.
